

Sponsorship Guidelines

Feeding Hope is a community feeding program that serves children, disabled and elderly community members. Many of the people working at Feeding Hope are volunteers and we'd like to compensate them for their hard work! We want them to know how much we appreciate their dedication to serve those in need, and we also want them to know they have a stable place to work every day. This monthly donation will help us tremendously as we continue to help feed this community. A project like this requires a community effort and we are so thankful for your willingness to give.
